**Autumn Dawn**

A favourite with traditional properties, this autumn coloured compilation is a mix of red and golden hues and includes nicely rounded shiny pebbles and granite stone which radiates a luxurious finish. Used best to compliment red brick properties.

**Rock Type:** Quartzite, Quartz & Granite  
**Rock Shape:** Naturally Round, Some Angular  
**Slip Resistance (PTV):** 78  
**Ideal For:** Driveways, Paths & Patios  
**Hardness Rating:** ✓✓✓✓✓✓  
**Overall Performance:** ✓✓✓✓✓✓

**Caramel Latte**

One of our most popular resin bound colours and is a favourite of home owners who are after an attractive resin bound driveway or pathway that will bring out the bright colours surrounding it such as grass or flowers. The subtle yellow is not too overpowering but is still bright enough to make an onlooker notice.

**Rock Type:** Quartzite  
**Rock Shape:** Angular  
**Slip Resistance (PTV):** 78  
**Ideal For:** Driveways, Paths & Patios  
**Hardness Rating:** ✓✓✓✓✓✓  
**Overall Performance:** ✓✓✓✓✓✓

**Chestnut**

A tight-knit resin bound fusion of natural golden colours. Trowelling is made easy because of the round nature of the pebbles. An attractive natural looking colour and one of our most popular and bestsellers which offers a charming finish to any property.

**Rock Type:** Quartzite  
**Rock Shape:** Naturally Round  
**Slip Resistance (PTV):** 73  
**Ideal For:** Driveways, Paths & Patios  
**Hardness Rating:** ✓✓✓✓✓✓  
**Overall Performance:** ✓✓✓✓✓✓

**Clarity**

This colour blend is part of our luxury range. Offering fantastic shades of pearl and yellows with a hint of silver giving any project a real sparkle. Creating a warm blend which works beautifully with any style of property.

**Rock Type:** Quartzite & Granite  
**Rock Shape:** Angular  
**Slip Resistance (PTV):** 78  
**Ideal For:** Driveways, Paths & Patios  
**Hardness Rating:** ✓✓✓✓✓✓  
**Overall Performance:** ✓✓✓✓✓✓

**Coastline**

This is one of our new blends for 2023. The majority of this blend is a nicely rounded aggregate so it is comfortable to walk on. Hardwearing and attractive this blend is suitable for patios and paths as well as being perfect for driveways.

**Rock Type:** Quartzite  
**Rock Shape:** Naturally Round, Some Angular  
**Slip Resistance (PTV):** 73  
**Ideal For:** Driveways, Paths & Patios  
**Hardness Rating:** ✓✓✓✓✓✓  
**Overall Performance:** ✓✓✓✓✓✓

**Coral Beach**

Coral Beach is a beautiful mixture of highly complimentary stones, red, black and gold offering a jewelled effect. More commonly used for coastal areas where there are substantial stone and rendered properties. Needing minimal further design features when laying the Coral Beach resin bound.

**Rock Type:** Quartzite & Dolerite  
**Rock Shape:** Naturally Round, Some Angular  
**Slip Resistance (PTV):** 76  
**Ideal For:** Driveways, Paths & Patios
